709 Division St.
Gloucester City, NJ 08030

Dear Mr. Burrows,

This is to confirm your reception of radio station **WNOX**, Knoxville, Tennessee on March 22, 1987 from 11:00pm to 12:00 midnight EDT.

WNOX IS Tennessee's first radio station and the 8th oldest radio station in the United States. We began operating in 1921. Our present frequency is 990KHZ with 10 KW- 24hours a day. We have 4 towers. At night 3-250' self supporting and 1- 475' guyed during daytime we only use the 475' tower.

Enclosed is our coverage maps. We are also affiliated with CBS, TRN, MRN, MUTUAL NETWORKS, etc. Our music format is country, and have received signal reports from Europe, Canada, and of course the East Coast of the USA.

Thanks for listening,

Don Tonkin
Chief Engineer
